POINSETTIAS 2020

Dear Fundraising Director:

Again in 2020 Varner's is offering premium potted poinsettia plants at low wholesale prices for your fundraising needs. All you need to do is choose what you want to sell, how much profit you would like to make, confirm a date of delivery with us and go to work selling.

The following is a sampling of the size of poinsettia plants we offer and a break-down of the wholesale/fundraiser price to you:

4 ½" Singles	\$2.87
6 or 6 ½" Singles	\$4.95
7 ½" Doubles	\$10.23
8" Triples	\$13.43
10 Quads	\$18.39
<i>These plants are available in assorted colors (see enclosed list or order form). Check with us for voucher sales redeemable directly at Varner's.</i>	

A more detailed listing of the sizes and colors of poinsettias we offer is included in the enclosed order form and price list. For your ease of distribution, we strongly recommend that you limit your sale to two or three sizes and three basic colors of plants; however we leave this for you to decide. You may also choose the color of foil: red, green, gold or silver. For fundraisers, we limit the foil to one color per size of plant. Churches may foil all plant sizes in one or two colors. The plants may be picked up by you or delivered by us with foil wrap, in sleeves, and in cartons. If you choose to have your order delivered, we will deliver your entire order to one location designated by you. There will be a delivery charge based on the total amount of the sale and the distance traveled; the minimum delivery price is \$40.00. We do not deliver orders of less than \$100.00.

At the end of your fundraising program, we ask that you tally the orders you have received in each category on the enclosed order form and send us the completed order form by facsimile at (269) 684-4924 or by email to: orders@varnersgreenhouse.com. Please provide your complete order to us at least 10 days before delivery. **We will accept small alterations to your order up to three days before delivery; no changes will be accepted after that date.**

If you are interested in this program, please call us at (269) 684-3530 for more information and to reserve a date for delivery. It is very important that you quickly reserve a date with us for delivery, as the most sought-after dates book quickly. It is best not to have delivery before November 15th, as all colors may not be ready prior to that date.

Thank you in advance for participating in our fundraising program. For additional information about Varner's in general, check out our website at www.varnersgreenhouse.com.

Kindest regards,

Mary Varner
